

Solar Mounting System for Flat Roof (HDG)

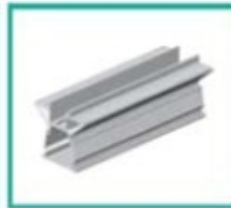

① L connector

② 08# Rail

③ Rail beam

④ Mid clamp

⑤ End clamp

Technical Datasheet:

Design wind Load: 60m/s

Design snow Load: 1.5kn/ m²

Material: Hot dipped galvanized steel &
Anodized Aluminum

Tracker Type: Fixed

Panel type: Any type of PV modules

International standard: AS/NZS 1170.2, SGS

Warranty 10 years ; Duration More than 20 years
